

Field Trip Volunteer Form

I understand that I have been asked to be involved in a Jefferson County Christian School field trip. I understand that the general welfare of the students and those involved in this field trip comes first and foremost. I agree to follow all traffic laws and to have all children and myself in seat belts. I understand that no child under the age of 12 will be placed in a passenger seat with an airbag. *Exception: drivers may place their own child in the passenger seat with an airbag.* I also agree to follow all directions given from whomever is in charge of the field trip and I understand that they have complete control and responsibility for the field trip. I understand that insubordination is cause for removal from the volunteer list.

I understand that all vehicles involved in a field trip will travel in a caravan-like manner when it is possible to do so safely. I also accept the responsibility of reading the instructions, the provided maps, or the established plan if I become separated from the caravan in traffic. I understand that the field trip is a team event and I will act accordingly.

I have not been convicted for driving while under the influence in the last three years. I understand that smoking is not permitted and agree not to smoke while on a field trip. Also, I agree to comply with the school's dress code for field trips.

I understand that if I am driving my vehicle I must have liability insurance and also have my vehicle in good working order.

I understand that if I do not adhere to all the guidelines in this document I forfeit my privilege of going on a field trip with Jefferson County Christian School.
