

# September 2025

Jefferson County  
Christian School  
ROYALS

Dear JCCS Families,

Welcome back to a brand-new school year at Jefferson County Christian School! The start of September always brings a special sense of excitement as classrooms come alive with students, and our hallways echo once again with learning, laughter, and fellowship.

Over the summer, God has blessed our school with many improvements. Inside the building, interior drywall work has brightened and refreshed our spaces, and outside, restorative mortar work has strengthened the back of the building. New electrical work has also been completed, allowing us to proudly illuminate our flags with new floodlights. In addition, our Pre-K students will enjoy a brand-new floor in their classroom, and our students of all ages will benefit from the creation of our new STEM lab, designed to enhance learning in science, technology, engineering, and math.

We are especially thankful for our dedicated teachers and staff, who spent countless hours this summer preparing their classrooms and helping clean the building to make it ready for your children. Many of them also participated in summer professional development, equipping themselves with new ideas and strategies to serve students more effectively. Their love for Christ and their commitment to Christian education continues to inspire me.

As we begin this new year together, I am reminded of our theme verse:

*"These things I command you, that ye love one another."* -John 15:17 (KJV)

This verse will guide us throughout the year as we focus on living out Christ's love within our classrooms, hallways, and beyond.

Another verse that encourages us at the start of this year is Philippians 1:6 (KJV):

*"Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ."*

Just as He has begun a good work in our school through these physical improvements, He is also at work in the hearts and lives of our students, teachers, and families. We look forward with confidence, knowing that He will continue to shape and grow us according to His perfect plan.

Thank you for your continued prayers, support, and partnership.

Together, let us commit this school year to the Lord, asking Him to bless every lesson, every activity, and every relationship for His glory.

In Christ's Service,

A handwritten signature in black ink that reads "Scott Abercrombie".

Mr. Scott Abercrombie

Administrator

# What's Happening

**Monday, September 1st**

NO SCHOOL—Labor Day

**Thursday, September 11th**

School Board Meeting
