

February 2024

Dear JCCS family,

During our latest cold spell, how have you been keeping warm? Some people wear extra layers while others wear hats and scarfs. Me, I like to curl up in a warm blanket. Just recently during elementary chapel, I used a blanket during the lesson. My blanket is a source of warmth, comfort and gives protection from the cold. I can say the same for the Word of God. When I spend time reading and thinking about God's word, I feel warm, comforted and protected. I feel tucked away in a special place that is precious. I feel closer to God.

There are many places in the Bible where God tells us He is our strength (Psalm 118:14), our salvation (Isaiah 12:2), our light (Psalm 27:1) and our rock, our fortress and deliver (Psalm 18:2). I would say that is better than a warm blanket! If you are feeling a little cold or just need to feel the closeness of God, I recommend spending time in His word. You will not be disappointed and you will feel the warmth of God like never before.

Have a blessed February,

Lorrie A. Jarrett
