R O Y A L S

Dear JCCS Families,

As we welcome September, we find ourselves in the midst of a beautiful transition. The temperatures are beginning to cool, the leaves will be changing their colors, and there's a fresh crispness in the air that marks the arrival of autumn. This changing of seasons reminds us of the ever-present cycles in nature, each with its own purpose and beauty.

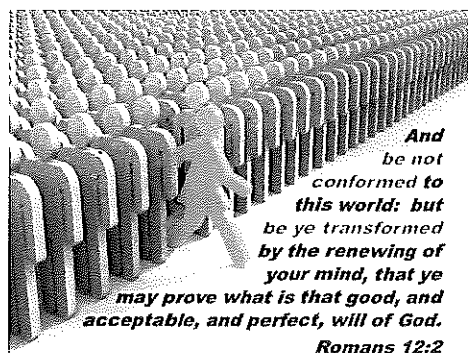

In this time of transition, it's a comforting thought to remember that while seasons change and the world around us is in constant flux, we have an unchanging Savior in Jesus Christ. The Bible assures us of this in Hebrews 13:8: "Jesus Christ the same yesterday, and today, and forever." Rest assured, no matter what changes come our way, our Savior remains constant, steadfast, and true.

As we embark on this new school year at Jefferson County Christian School, this truth is especially reassuring. We've seen many changes over the past months—from the growth of our students to the implementation of new programs and initiatives. Yet, during all these changes, our focus remains on our unchanging Lord and the solid foundation He provides for our school community.

This year, our theme Bible verse is Romans 12:2: "And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God." As we journey through this school year, let this verse guide us in our pursuit of excellence, both academically and spiritually. Let us not be swayed by the ever-changing trends of the world but instead, be transformed by the renewing of our minds in Christ.

As we settle into the rhythm of the school year, let us remember that our strength and stability come from our Savior, who remains the same regardless of the season. Let us look to Him for guidance, wisdom, and support as we navigate the challenges and joys of the coming months.

Thank you for your continued support and partnership of Jefferson County Christian School. May this school year be filled with blessings, learning, and a deepened faith in our unchanging Savior.

In Christ's Love,

REMINDERS from the Medical Staff

- * Emergency Medical Forms (EMI), Over The Counter (OTC) medication and Prescription medication forms, as well as updated vaccine records or exemption forms are due at this time. If we have not received the EMI form by September 9th, your student will not be allowed to attend school until we receive the form.
- * Under **NO** circumstance should a student bring any medication, including cough drops, to school. This would be a violation of school policy. If you have medication that the school needs to have on hand for your student, the parent/guardian must bring it into the school office. There is a form that needs to be signed by the parent/guardian when dropping medication off.
- * We need your help to keep our students happy and healthy. We need to make sure our students are drinking enough water. Please send your student with a refillable water bottle daily to refill throughout the day at one of our several filtered water stations. The current recommendations are for children to drink their age in 8-ounce glasses until they reach the age of 8. Children 8 and older should drink eight 8-ounce glasses of water per day. If you have a 6-year old, he or she should be getting six 8-ounce glasses per day. The best thing to teach your child is to look at their urine. Many kids will find this funny at first, but the color of the urine can help let a child learn about hydration status. Urine should be clear to straw color. If it is dark yellow or looks like apple juice, then your child is dehydrated and needs to drink more water. We tell kids that they want to have urine that hardly colors the water in the bottom of the toilet when they start to pee. Early morning urine is usually the most concentrated so kids should try to get their urine to become clearer throughout the day.

Thank you,

Doug Calhoun EMT

JCCS PTF WANTS YOU!

Help us support our Teachers &
Students

Why you should join

PTF is the perfect opportunity to stay involved in our school. Stay up to date on upcoming events and opportunities to help. You'll meet staff that are a little like different sides of their coin, and PTF is a wonderful way for groups of us to help each other. You can be a part of the team making and serving our school's future.

Monthly Meetings

The first Wednesday of every month we have a PTF meeting at 2:45pm in the Cafeteria. We meet to discuss upcoming events and fundraisers. If you can't make it to a meeting there is no pressure. We will keep you updated in the Facebook group so you can stay involved!

Communication

Our JCCS PTF page is our main source of communication for PTF. There are member profiles, meeting times, volunteer opportunities and more.
