R O Y A L S

Dear JCCS Families,

As we step into the month of March, we find ourselves in a season of transition. The cold grip of winter begins to loosen, and signs of new life emerge all around us. The days grow longer, and creation itself seems to awaken from its sleep. It is a beautiful reminder of God's faithfulness in every season of life. As the psalmist declares, "Thou hast set all the borders of the earth: thou hast made summer and winter." (Psalm 74:17).

March is also a time of preparation. Whether students are completing projects, preparing for upcoming assessments, or making decisions about the next school year, we are reminded of Proverbs 16:3: "Commit thy works unto the Lord, and thy thoughts shall be established." When we entrust our efforts and plans to Him, He provides wisdom and direction. May we all seek His guidance in every decision, both big and small.

I am personally thankful that we are nearing the end of the season of waking up at 4:30 AM to start looking at weather maps and driving on snow covered roads to determine if there is a need to delay or cancel school. As for our calendar, we typically build enough extra hours into the calendar, but this year is an exception. We will be scheduling four additional days for elementary (K-6) students and two additional days for secondary (7-12) students. The changes are as follows: Elementary students will now be scheduled to attend school on Monday, May 19th through Thursday, May 22nd. May 22nd is now the last day for elementary students. Secondary students will now be scheduled to attend school on Tuesday, May 27th through Wednesday, May 28th. May 28th is now the last day for secondary students.

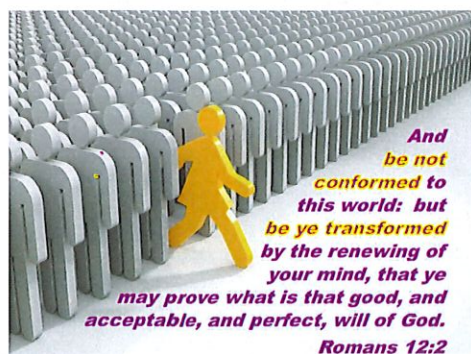

Thank you for your continued prayers, support, and partnership in the mission of JCCS. May the Lord bless you abundantly as we continue this school year together!

With a thankful heart,

A handwritten signature in black ink that reads "Scott Abercrombie". The signature is fluid and cursive.

Scott Abercrombie

JCCS MATH CLUB

March is a busy month for Math Club. On March 7th, we will be taking a team to Bethany College to compete in their annual Math/Science Competition! The following week, the Math Club will be hosting events for Pi Day. Stay tuned to the Weekly Emails for more details.

Also, if any student in grades 7th-12th would like to earn a Pi Day t-shirt, start memorizing the first 100 digits of Pi. On Thursday, March 13th, any secondary student who can correctly say these digits to Mrs. Johnson will earn a one of a kind Pi-Day t-shirt and a spot on the "Wall of Fame"!

$V = \frac{1}{2}bh$ $\frac{1}{a} + \frac{1}{b} = 1$ $ax^2 + bx + c = 0$ $V = \frac{4}{3}\pi r^3$

The Great Bake Down

Mystery Dinner

Garden party attire requested

Saturday April 5th at 6pm

Cost is \$15 per student (7th-12th grade only)

Come and help solve the case.

World renown baker, author, and artisan chef Barry Merry is finally retiring after over 40 years and 40 bakeries, opened up in 40 countries, and he's giving one lucky person the chance of a lifetime. The keys to this multi-million-pound business. Do you know what that means?

Come join the baking competition of a lifetime, meet other competitors and try and figure out the best way to win, or prevent someone from winning....

Please RSVP by April 1st to Mrs. Clements at lclements@myjccs.org
