Due to pandemic, the following COVID protocols supersede any conflicting rules and procedures in the JCCS handbook. Once the county health and safety mandates have been lifted, all JCCS procedures will revert back to the 2021-2022 handbook.

COVID-19 Health & Safety Plan

August 5, 2021

The following plan is based on a healthy framework for reopening Jefferson County Christian School for the 2021-2022 school year. This document seeks to ensure that only healthy individuals will be present in the school thus providing a safe environment for students and staff. The school building will continue to receive the increased levels of cleaning and sanitizing initiated last year. There will be minimal disruption to the typical classroom instruction and routines.

This framework provides the greatest level of “normalcy” but depends on students and staff to remain at home if they display any flu-like symptoms or have been in contact with others who are symptomatic.

The plan for JCCS students and staff is to begin and continue the 2021-2022 school year with face to face learning five days a week. We also have other options for families who feel they need to keep their children at home. These plans will allow your child’s education to continue through Jefferson County Christian School. Should the pandemic worsen, we are prepared to transition to a remote learning format.

Please note that information does change frequently and our guidance is from our local health officials, Governor DeWine and the Ohio Department of Education.

EDUCATED IN CHRIST
TO MAKE A
DIFFERENCE FOR CHRIST

Romans 12

Introduction

Message from the Administrator

Welcome to a new year at Jefferson County Christian School. I am thankful that you have chosen to have a Bible-based academic education in a Christ centered environment. Your choice demonstrates that we agree that Jesus is Lord and the Word of God, the Holy Bible, is our source of absolute truth which provides a common foundation to guide us in all we do at JCCS.

I am so grateful for the special fellowship here at JCCS. This year, our theme is “Staying in Perfect Peace”. The key scripture can be found in Isaiah 26:3. Now, more than ever, it is important to stay in a peaceful place in God. God has provided our school with an exceptional faculty and staff with varied backgrounds, training and experiences who will show His love to each other and the students at JCCS. May God bless you this year. May He give you peace always in every way. The Lord be with you.

God's best,
Lorrie A. Garrett

What Is Christian Education?

For an in-depth discussion of this question, please read the Educational Goals of J.C.C.S. Briefly stated, Christian education seeks to teach Christians to think from a moral, biblical perspective.

Christian education aims to relate each area of study to a Christian view of life and the world, while encouraging each student to develop his or her capabilities to the glory of God.

This is done in an environment that reinforces this perspective and includes both Bible study and prayer times as a part of the curriculum and as a spontaneous response to student needs.

Brief History of Jefferson County Christian School

In February of 1977, a small group of concerned parents initiated a series of meetings open to the Christian community. From these meetings a planning committee was formed to establish a Christian school as an independent, non-denominational, tax-exempt corporation. Since these early beginnings, Jefferson County Christian School has grown from the kindergarten, first, and second grades of the 1978-1979 school year to a complete academic program, Pre-K through 12th grade.

Statement of Faith

- We believe that only the Scriptures of the Old and New Testaments were inspired by God and are infallible and that they are of supreme and final authority in faith and life.
- We believe in one God, eternally existing in three persons: Father, Son, and Holy Spirit.
- We believe that Jesus Christ was begotten by the Holy Spirit and born of the Virgin Mary and is fully God and fully man.
- We believe that man was created in the image of God, that he sinned and thereby incurred the penalty of physical death and the liability of spiritual death and eternal separation from God and that all human beings are born with a sinful nature.
- We believe that the Lord Jesus died for our sins according to the Scriptures, as a representative and substitutionary sacrifice and that all who believe in Him are justified by faith in His atonement.
- We believe in the resurrection of the crucified body of our Lord, in His ascension into heaven and in His present life there for us as High Priest and Advocate.
- We believe in "that blessed Hope"; the personal and glorious return to earth of our Lord and Savior, Jesus Christ.
- We believe that all who receive the Lord Jesus Christ as Savior, by faith, are born of the Holy Spirit and thereby become the children of God.
- We believe in the bodily resurrection of the just and unjust, the eternal blessedness of the saved, and the everlasting conscious punishment of the lost.

Statement of Moral Integrity

Students need to be taught that the Bible dictates the standards for sexual behavior. This is particularly important in a society where young people can become confused by the conflicting values reflected on TV, movies, the Internet, some secular music, etc.

The Bible teaches that sex is God-ordained within the covenant of marriage and is a spiritual bond between (male) husband and (female) wife (Gen. 2:24; Matt. 19:4-6; Heb. 13:4; I Cor. 7:3-5). Those who are not involved in such a marriage are to live celibate lives (I Cor. 7:1,2).

The unique roles of the male and female are clearly defined in Scripture. Romans 1:24-32 states that God recognized homosexuals, lesbians, and other deviates as perverted. Other Scriptures dealing with living godly lifestyles include Romans 12:1,2; I Cor. 6:6-20; Gal. 5:19-21; Eph. 5:3-5; I Thess. 4:3-8; I Tim. 4:12.

Jefferson County Christian School's biblical role is to work in conjunction with the home to mold students to be Christ-like. Therefore, it is required that all those involved with JCCS honor God by having lifestyles that are based on these Biblical standards. This includes (but is not necessarily limited to) board members, staff members, parents, students, and volunteers.

Non-Admission/Disenrollment Based on Religious Principles

On occasion, the atmosphere or conduct within a particular home may be counter or in opposition to the biblical lifestyle the school teaches. This includes, but is not necessarily limited to, sexual immorality, homosexual sexual orientation, or inability to support the moral principles of the school (Refer to STATEMENT OF MORAL INTEGRITY). In some cases, the school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student.

View of Education

Purpose of School: The Jefferson County Christian School is a non-profit, Christ-centered, non-denominational, Christian school that offers a strong Bible-based curriculum that encourages academic excellence. J.C.C.S. is an alternative choice of education that teaches Jesus Christ as the center of all learning and living and presents the way of salvation to each student. The religious training given at the Jefferson County Christian School does not stress any particular religious denomination but emphasizes a strong Bible foundation and basic principles of Christian conduct and character. Children are taught to obey their parents, to respect their teachers and those in authority, and to appreciate our great American heritage.

Role of Parent in Christian Education: God has given the parents the responsibility to teach their children. The Christian School is a tool to help the parent in fulfilling their responsibility of education. (Deut.7:4-9)

Role of the Teacher: The Christian philosophy of education is based on Christian teachers who understand these basic principles of Christian education, who are personally committed to them, and who demonstrate effectiveness in their ability to communicate them. (Phil. 4:9)

Statement of Non-Discrimination

The Jefferson County Christian School admits students of any race, color, national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to the students, and the Jefferson County Christian School does not discriminate on the basis of race, color, or national origin in administration of its education policies, admissions policies, scholarship and loan programs, athletic, and other school-administered programs. Romans 2:21, "For there is no respect of persons with God."

Membership

Jefferson County Christian School is chartered by the Ohio Department of Education and is a charter member of the Association of Christian Schools International.

Educational Goals

The Jefferson County Christian School exists today to provide excellent, Bible-based instruction in all curricular areas.

- **Reasoning:** God requires that for the understanding of His Word and of the world around him, mankind must develop strong reasoning powers. Each student should develop a command of logical thought processes. He should acquire the basic skills for the formation of mature appraisal. He should also be given the opportunity to apply these skills in classroom situations. Reasoning skills would be applied to all academic areas including mathematics, social studies, language arts, and science.

- Creativity: God has blessed each person with an individual level of creativity in order to give spiritual and mental expression. Each student should be afforded the opportunity to develop expression through exposure to various artistic fields and gain experience in different media. He should also be able to appreciate aesthetic experiences from a Christian perspective.
- Communication: God has instilled in man the ability to communicate; both with Him and with each other. Each student should develop a command of basic language skills and the ability to put them into practice. The ability to communicate well is essential for excellence in all academic areas.
- Scientific Inquiry: God has made man a little lower than the angels and made him ruler over all the earth. Each student should acquire a knowledge of God's creation, how it functions, and how it interrelates.
- Well-being: God has made man to be the temple of God. Each student should learn to be a good steward of his or her own body. He should develop good health habits and an understanding of how his environment affects his physical and emotional well-being.
- Develop Christian Character: God created man in His own image in order to fellowship with Him. Each student should be guided toward making Christian values the foundation for his everyday lifestyle. The development of self-discipline and responsibility is encouraged based on respect for and submission to God and the authorities God has placed in his life. He should also come to an understanding of God's will for man's relationship to God, to others, and to the world around him. This character development is intended to lead the student to a personal, born-again, experience with Jesus Christ.
- Study of the Bible: The word "philosophy" means the study of truth. Since all truth stems from the Bible, a study of the Bible is essential to any Christian school. Since the Bible is foundational to all learning, Bible truth is essential in the study of all academic areas.

Jefferson County Christian School Student Culture

At JCCS our culture is founded on the belief that students who are seeking to live out their relationship with Christ, can be trusted and held accountable in a way that reflects mutual respect for one another. This fundamental principle serves to intentionally create an environment specifically designed to help students flourish and build a culture unique to JCCS.

- We focus on the results of doing right.
- We share the joy of living God's way and experiencing the positive nature consequences. We encourage students to discover their potential in such a way that they become a positive influence and make an impact in Christ for Christ.
- We take our core values seriously. **Obedience, integrity, and respect** are God's standards and accordingly are non-negotiable. We expect that students will follow these school standards and be responsible. Students are trusted but simultaneously held accountable to be good stewards of their opportunities.
- We value the individual. We see every countenance. Students respond positively when they understand they are known and valued as individuals.
- We are student-focused. We seek to organize our activities and schedules around what is best for student learning. First and foremost, we are interested in incorporating what helps students learn.
- We give students room to grow. Opportunities are given to help students create, innovate, and lead now, not just in the future. Student leadership and spiritual growth is a work in progress.

Report Cards

Report cards shall be sent home in the packet three times a year and the fourth report card will be mailed to the home. Parents are urged to study their child's report card with care and then sign and return it to the school with the packet. All questions are to be addressed to the child's teacher. Arrangements must be made through the school office.

Progress Report

Interim reports shall be made mid-way through each 9-week period to inform parents of pupil progress. Because of the ability of parents to track student grades and progress online through Headmaster, hard copies of the progress report will only be sent home by request.

JCCS highly encourages our students to be service oriented at home, in their church, community and at school. To earn a Service Letter or Academic Letter, and subsequent pins each year, students should document their hours (Volunteer Time Sheets may be found on the JCCS website under Current Students/Forms). These are to be signed by a supervising adult. Students may begin logging hours in May and will turn in all their time sheets by the following May.

Valedictorian/Salutatorian

To be eligible for Valedictorian or Salutatorian, a student must graduate with a College Prep or Honors Diploma. The student must have attended JCCS from at least the sophomore year through the end of the senior year.

Course Descriptions for Mathematics

Pre-algebra

This course is designed for students as a preparation for Algebra I. Algebra I topics will be covered to encourage mastery of the material.

Algebra I

This course is designed to provide a solid foundation for all future work in mathematics. The major emphasis is placed on the meaning of mathematical structures. A strong background in fractions, decimals, variables and logical reasoning is essential.

Geometry

This more demanding college prep course is designed to emphasize applications of geometric properties and the development of formal deductive proofs. There is a continual use of algebra as it relates to the applications of geometry.

CP Algebra II

This course is designed to expand the foundational facts, concepts and skills of Algebra I. It also introduces concepts in conic sections, exponential and logarithmic functions, sequences, series and trigonometry. This course prepares students to take Pre-Calculus and AP Calculus.

Algebra II Essentials

This course covers all the essential elements and key topics needed for college math and standardized testing. It covers critical concepts taught in a typical Algebra II course, from polynomials, conics, and systems of equations to rational, exponential, and logarithmic function.

College Review Math

This course continues the study of functions from Algebra II, focusing on an increased understanding of the properties and attributes of functions. Geometric properties of functions, such as symmetry and transformation, along with technology will be incorporated. Students will use various functions to solve real-life problems.

Pre-Calculus

This is an advanced course. The course is suitable for high school students who exhibit high levels of commitment, motivation and academic maturity. This course is designed to cover trigonometric functions in degrees, circular function, solving triangles, vectors, graphing functions using graphing calculators, and emphasizes real-world application. The course covers the analysis topics of matrices, multivariable systems, parametric equations, polar coordinates and infinite series.

AP Calculus

This is an advanced course. The course is suitable for high school students who exhibit high levels of commitment, motivation and academic maturity. This course will continue with a more exhaustive study of certain Pre-Calculus topics. It will approach the fundamentals of Calculus (limits, differentiation, and integration) by involving itself only with algebraic and trigonometric functions. Emphasis will be placed on the mechanics of the Calculus relative to polynomial functions as they appear on the Cartesian plane.

A student who receives a failing course grade (65% or less) in a major subject will be required to attend AI (Additional Instruction). The student may continue to practice and participate in games or activities. Failure to attend AI without a pre-approved excuse will result in the student being excluded from games, practices and activities until the student attends AI and works toward the goal. Students will attend every individually scheduled one-hour session until passing course grade is attained. Students with low D's will be strongly encouraged to attend AI. **Discretionary Clause: The administrator may remove a student from extracurricular activities or place student(s) into AI based on academic performance and /or behavioral record.* ATTENDING AI AND MARKED IMPROVEMENT IS YOUR TICKET TO PARTICIPATE.

Student Athletes

In order to participate, athletes must have the following forms completed before the first practice:

- Ohio HS Athletic Assoc. Medical Release Form – Physical Evaluation (found on the Ohio HS Athletic website)
- Ohio Department of Health Concussion Form (found on the Ohio Dept. of Health website)
- JCCS Emergency Medical Form (found on the JCCS website)

Curriculum

In Grades Pre-K through 6th, JCCS uses predominately Christian curriculum which offers a sequential, structured, traditional approach to give students the tools they need to succeed in the areas of math, reading, science, social studies, language, spelling, penmanship, health, and Bible. The junior high and high school courses of study use a combination of Christian and secular textbooks; however, all have been carefully evaluated and selected to be in accordance with the objectives and philosophy of the school.

Achievement Testing

Each spring, JCCS administers the Tera Nova3 or the Ohio State Tests to all grade levels in K-12. These standardized assessments reveal information about achievement in several academic areas for the individual student and for the grade level as a whole. This information is used to give us feedback concerning our curriculum and academic program. Students in the odd grades (1,3,5, and 7) are also given the In View, which measures their learning potential. Your child's scores on these assessments will be sent home in a full report when they are received.

Pupil Promotion/Retention

Promotion Policy: In Grades K-8, Students shall be promoted to the next grade level upon satisfactory completion of the previous grade level. If a student has received a failing grade in any major subject areas or (D) grades in three major subject area (i.e. reading, mathematics, spelling, social studies, science, or language), a conference between teacher, parent, and Administrator will determine next year's placement that will be most beneficial to the child. Students in Grades 9-12 who receive a failing final grade for a course receive no credit for that course and, if a requirement to graduate, must repeat it and pass it in order to receive credit.

Homework Assignments

Parents are urged to assist in seeing that homework is done. However, the work must be done by the child and he/she is fully responsible for it. Incomplete assignments due to family emergencies are to be accompanied by a written explanation from a parent or guardian.

Textbooks

Parents are expected to purchase consumable textbooks for their child/children by submitting the instructional/consumable fee. Textbooks owned by the school are loaned to students for their use during the school year. These textbooks are to be kept covered (grades 3-12) and handled carefully. Students will be required to pay for lost or damaged books.

Parent-Teacher Conferences

Parent/Teacher conferences are scheduled in the fall and spring of the school year. Additional conferences may be scheduled at any time throughout the school year at the request of the parent or the teacher. Preschool will have both fall and spring conferences.

Field Trips

JCCS believes that field trips provide a valuable educational experience for students. Parents will be notified beforehand and must sign a permission slip in order for the student to participate. If needed, parents may volunteer to drive on a field trip. Those parents must read, sign and submit the Field Trip Volunteer Driver form and conform to JCCS Field Trip policies concerning chaperones and drivers. Chaperones also must read, sign, and submit the Volunteer Chaperone Form. (Forms are on the school website – myjccs.org)

Bible Translation Statement

Jefferson County Christian School believes the Bible to be the only infallible, authoritative Word of God. Due to the fact that we are non-denominational in stance, we have chosen to use the King James/New King James Version of the Bible in our school as the official version, which will be used for memory verses. Teachers may also read from another version if it aids in clarification.

Chapel

Weekly students participate in a chapel service. The purpose of Chapel is to come together in unity as a student body to worship the Lord and hear God's Word. Chapel presenters include teachers, local pastors, missionaries, classes, and special guests.

Attendance

Attendance

Ohio School Law requires punctual and regular attendance at school. Parents must be aware of the fact that prolonged or continuous absences cannot but have an adverse effect on the child's education, therefore, faithful attendance should be a priority in the training and schooling of the child.

Absences

According to Ohio Revised Code, the only acceptable/excusable reasons for absences are:

- | | |
|-----------------------------------|--|
| 1. Personal illness | 5. Observance of a religious holiday |
| 2. Critical illness in the family | 6. Death of a relative |
| 3. Quarantine in the home | 7. Those pre-approved by the Administrator |
| 4. Medical/ dental appointments | |

Any student who has been absent is **required to bring a written explanation** from his/her parent or guardian **on the day of his/her return. Failure to do so will result in an unexcused absence. Unexcused absences earn a grade of "F" in all subjects missed for that day.** (Absences due to employment, oversleeping, missing the bus, shopping, hunting, sports activities, baby-sitting are examples of unexcused absences.) These notes are kept on file. The student is responsible for making up all schoolwork.

Procedure for getting your student's work when absent:

- Request homework in the morning when reporting your student absent.
- Kindergarten-6th grade make-up work and materials will be available by end of the school day in the school office.
- 7th -12th grade students will be able to access their homework through Headmaster.

School Attendance Accountability

We ask that parents call the school office before 8:00 A.M. if their child will not be in school that day. This enables us to know for sure where the students are and helps provide safety for all of our children.

If a phone call is not received, the school will notify the parent/guardian by 10:00am.

Our policy will be as follows:

1. A phone call will be made in an attempt to notify the person responsible for that student
 - a. First phone call will be made to the home.
 - b. Second phone call will be made to place of work of person(s) responsible.
2. Even when the parent responds verbally to the attendance clerk, **a written explanation is required on the day of the student's return. When no written explanation is received, the absence will be considered unexcused.**

Afternoon Absence

Any student absent after 11:30am when a school activity is taking place after school or in the evening (practices, choir concerts, athletic events, etc.), will not be allowed to take part in the activity unless his/her absence during the day was prearranged with the Administrator.

Signing In and Out: All students who arrive late or who leave before school is out must sign in or out at the main office.

Picking Up Children Early: For the safety of the children, we ask that all visitors, including parents, report to the office first. Teachers will not release a student except to authorized school personnel.

Parent Attendance Accountability - Grades K-12

After 10 absences, a letter will be sent home to parents reminding them of the 20-day rule. (see below)

After 15 absences, a Parent-Administrator meeting will be scheduled to discuss the nature of the student's absences.

After 20+ absences (excused or unexcused), the student is automatically considered for retention. Parents must appear before the school board in a hearing to determine the nature/cause of the excessive absenteeism and whether or not the student shall be retained. Parents will be notified in writing when the child has been absent over 20 days as to the policy and the date of the hearing.

Parent Attendance Accountability - Grades 9-12

Excessive absenteeism will affect a student's academic performance. You will be notified by the teacher or Administrator when the student is in risk of failing a class because of excessive absenteeism.

Pre-Approved Absences

Permission may be granted for a planned absence from school from 1-5 days in length by special request and approval of the administrator. Prior to your child's absence, you must read, complete, and sign the REQUEST FOR PRE-APPROVED ABSENCE FORM found on the JCCS website. The PRE-APPROVED ABSENCE FORM must be submitted to the school office 2 weeks prior to the planned date of absence. The Administrator will then approve or deny the request. If requests are not submitted on the form within the timeline and pre-approved by the Administrator, those planned absences will be unexcused. Students will be responsible for the classwork missed during the absence. After returning to school, all assignments, quizzes, and tests must be completed and returned to the teacher(s) within 1 week. Any assignments not completed within the one-week time frame will result in an grade of F.

Tardiness

- Students in grades K-12 who arrive after the 8:00am bell will not be admitted to class without a tardy slip from the school office.
- Students in grades K-6 will be allowed 2 unexcused tardies per nine weeks. All consecutive unexcused tardies will be handled as a Conduct Concern.
- Grade 7-12 will be allowed one unexcused tardy per nine weeks. The second and all consecutive unexcused tardies will result in a demerit.
- Twelve unexcused tardies will eliminate a student from being eligible for a Perfect Attendance Award at the end of the year.

School Day

The school day for grades K-12 begins at 7:55 a.m. and ends at 2:30 p.m.. Dismissal begins is at 2:35 p.m.. Students arriving after the 8:05 morning bell will be counted as tardy (with the exception of students who arrive by bus after the bell). For attendance purposes, 11:30 a.m. will be considered a half-day.

The school day for half-day PRE-K begins at 8:00 a.m. and dismisses at 11:30am and all day Pre-K is from 8:00--2:15pm.

Arrival and Dismissal

The parking lot side school doors will be unlocked by 7:15 a.m. each morning where all students are to enter. For their safety, students may not arrive before 7:15 because they may be unable to enter the building and are thus unsupervised. The school will not be responsible for any incidents that occur prior to the student entering the building, however students will be accountable for their conduct on the school grounds.

Pre-K students may report to the lunchroom with their parents between 7:30-8:00. The Pre-K Aide will take students to their classroom at 8:00am.

Kindergarten students may report to the lunchroom with their parents between 7:30-8:00 the first month of school. The Pre-K Aide will take students to their classroom.

1st- 6th grade students who arrive between 7:30-8:00 a.m. shall report to the multi-purpose room where they will be monitored by a staff member and dismissed to class at 8:00 a.m.

7-8 grade students who arrive between 7:30-8:00 a.m. shall report to the JR High hallway and will be monitored by staff members until dismissed to go to the lockers at the 8:00 bell.

9-12 grade students who arrive between 7:30 AM and 8:00 AM may go upstairs to the locker area where they will be monitored by staff members until the 8:00 bell, at which time they shall report to their first class. Students may not leave campus without permission once they have arrived.

Students may remain after school for only three reasons: (1) extracurricular activities sponsored by the school (2) detention (3) an unforeseen emergency (missed bus, etc.). All other students should be picked up promptly at the 2:35 dismissal time. After 2:30 all students remaining in the building must be under supervision of a parent, a coach, a club leader. No students will be permitted to roam the building or to be in rooms unsupervised.

Emergency Closing of School

Emergency closings will be announced on WTOV-TV, WTRF-TV, and via the J.C.C.S text alert system, SchoolCast.

When there is bad weather, one of two messages will be conveyed: (1) school is closed (2) school is delayed. If no message is aired, then one can assume that school is in session as usual.

When school is delayed by two hours, the bell for grades K-12 will ring at 10:00 a.m. and the students will meet for each class for an abbreviated time. The bell for Pre-K will ring at 10:15 a.m. at which time class will begin.

Do not assume because the public schools have canceled or delayed that JCCS has done so. Look for a specific announcement for Jefferson County Christian School. By carefully determining weather conditions for our families, we hope to avoid missing unnecessary days. If the public school providing transportation for your child is delayed or canceled and J.C.C.S. is in session, please find transportation for your child to school that day. However, if you are unable to find alternative transportation, your child's absence/tardy will be excused.

Conduct and Expectations

Standards of Conduct

At Jefferson County Christian School, we want to develop a life of faith and obedience in our students, based on God's standards found in His Word. It is our intent to apply these Truths in a consistent manner and therefore, we expect our students to:

1. Cultivate an active and authentic relationship with Jesus Christ.

- a. This includes studying God's Word, maintaining an active prayer life, being part of a church community, making oneself accountable to others, and seeking to share Christ through word and deed.
- b. Students should make every effort to avoid influences that create a heart divided from the Lord. This includes what one watches and listens to, recognizing that anything that mocks or disregards biblical standards can be destructive to a life of faith.

2. Treat others with respect and love.

- a. Encourage one another and build each other up (I Thess 5:11) – This requires us to treat others with kindness and respect at all times. It also requires us to be a positive influence in the lives of those with whom we associate.
- b. Communicate with others in a spirit of love. This requires us to refrain from such things as gossip, anger, unkind words, and cruel jokes at the expense of others.
- c. Develop relationships that edify our relationship with Christ and inspire us to live righteously (I Cor. 15:33)

3. Live a life of integrity

- a. Respect authority. This includes the authority of one's parents, as well as the authority figures at school and the greater community. (I Thess. 5:12)
- b. Be honest and above reproach. We must always speak truth and avoid any appearance of dishonesty (Prov. 8:7). This includes avoiding such things as lying, cheating, stealing, plagiarism and deception.
- c. Demonstrate self-control (James 1:19). We must avoid allowing our behavior or responses to a situation to be a hindrance or a distraction to the community as a whole.

4. Maintain God's standards for morality, purity, and righteous living.

- Students are expected to flee from the presence of, the appearance of, and association with any sinful, inappropriate or illegal activities (Eph. 5:3-7).
- Violation of the school's biblical standard of sexual morality through sexual contact as defined in the Statement of Moral Integrity will result in dis-enrollment.

Respect Today

The world around us, for the most part, has done away with the notion of respect. Respect for one's elders, respect for another's feelings and property, and respect for one another has become a thing of the past. This is evidenced in the media (a child's back talk to his parent in a sitcom is seen as funny), in sports (a tantrum-throwing ball player spits in the umpire's face), in the classroom (children think nothing of interrupting or talking when an adult is speaking).

Philosophy of Discipline

According to the Bible, discipline is a responsibility given to parents and granted to those in authority by the Lord. As Christian parents and educators, we discipline students because we love them and want them to live a Christ-centered life. We discipline in order to help students learn to choose desirable behaviors instead of unacceptable ones. When students make wrong choices, we seek to help redirect, guide, heal, and restore. Our goal is that hearts are changed, and better choices are made in the future. When discipline at school becomes necessary, our desire is for students to increasingly develop self-control, self-discipline and godly character. Hebrews 12:11

Teachers will implement appropriate class consequences for behavior violations. Recurring or disruptive classroom behavior will not be tolerated. Teachers will contact parents to work solving in-class issues. However repeated violations may result in a meeting with the student, parents, teacher and administration.

The behavior concerns in the Discipline Policy for Grades K-12 are not an all-inclusive list, rather an illustration of the types of behaviors and activities, which are unacceptable at JCCS.

Demerits and Detention Grade 7-12:

Student Behavior Referral slip will be sent home for parent's signature. All slips must be signed and returned the next school day. Failure to do so will result in the student receiving further demerits.

In asking parents to sign the Behavior Referral slip, we are confirming that you have seen it, not to have you approve or disapprove. The demerit is issued whether you sign the slip or not. Parents who have questions about demerits should contact the teacher by email, by writing a private note or by setting up an appointment through the school office. Communication with the teacher should not be conducted within hearing or viewing of the student. Parents and teachers should work to resolve any discipline issues together and approach the student as a unified front. Any unresolved issues may be taken to the administration team by the teacher or parent.

Every 2 demerits will earn 1 detention.

All demerits will be recorded on report cards.

Detention will be held on Tuesdays and Thursdays from 2:30-4:30 p.m.

Demerits are not erased at the end of each nine-week grading period but continue to add toward detentions.

No student will serve detention on the day he/she receives a detention/demerit slip. Students will serve detention on the next scheduled detention day.

Detention attendance is mandatory unless there is an approved excuse: death in the family, absence from school, etc.

Approved absences from detention will be made up immediately.

All unexcused absences from detention will result in 2 additional demerits.

The definitions of terms for Discipline Policy K-12

Conference: All involved parties will attend including parent/s, student/s, teacher/s and the Administrator.

Expulsion from School: Expulsion from school means the student will be dismissed indefinitely until satisfactory reconciliation is made with the school. The school board must approve the expulsion.

In-School Suspension: In-school suspension means the student will be removed from his/her class, including lunch and will work under the supervision of the Principal or the Administrator. The student will be given all work assignments and will be expected to complete them in order to reenter class.

Probation: Probation is a period of time given to a student to resolve a serious problem and may be enforced by the Administrator up to 60 days. The Education Committee will review the probation and the Board will be notified. Probation of more than 60 days requires Board approval.

Conditions for Probation: Students may be placed on probationary status if they do not respond positively to the discipline code. On probation, a student must improve his/her behavior or he/she will be dismissed from school. Probationary status is automatic upon accumulation of 30 demerits. While on probation, a student is not permitted to participate in any extracurricular activities.

Professional Christian counseling: Will be required in certain cases when deemed beneficial for the student. Student will be required to receive counseling from a certified, professional Christian counselor.

Public Display of Affection (PDA) – Holding hands, kissing or any other display of affection. God's Word set an extremely high standard for purity in relationships. Therefore, public display of physical affection between students is not appropriate at school or at school activities.

Suspension from School: Suspension from school means the student will be suspended from school for a specific period of time. The school will not provide homework assignments missed during this time. Any tests or quizzes missed during this time will result in 0%.

Some problems warrant special consideration and will be dealt with on an individual basis. Any unforeseen conduct violation will be handled by the Administrator and/or School Board. These situations could include committing a serious breach of conduct inside or outside the school, which has an adverse effect on the testimony of the school. Action taken by the school will be based on the nature and degree of the offense and will be left to the discretion of the Administrator and/or School Board. Acts of rebellion against school norms or complete lack of cooperation by students or parents could result in disenrollment.

General Guidelines for Daily Conduct for All Students

A written note, signed by one parent, MUST be presented to the school office for approval prior to the time of early dismissal. Parents MUST sign the student out in the office when leaving early.

Students are not permitted to bring pets, except where permission has been received. When pets are permitted, it must be in conjunction with a learning situation. There shall be no modern form of dancing which could be construed as indecent in the Christian School.

Care of Property Much expense and effort has gone into improving the building. Caring for school property is the responsibility of each and every member of the J.C.C.S. family including and/or especially the students

The way the property is maintained and cared for is important because it reflects the Christian testimony of the school and of its students. Thus, willful damage, defacing of, or destruction to school property will not be tolerated. The parent must pay for all damage, whether the incident was willful or accidental.

If a student willfully destroys school or private property, suspension and subsequent dismissal may be necessary. If a student happens to damage something by accident, he/she should report it to a teacher immediately.

Our custodians work very hard to keep the building clean for all of us. Please remember that the custodian is not in the school to serve us but is serving God through his/her contribution to the school. It is our duty out of loving consideration for the custodian to help in any way we can - by cleaning up after ourselves and helping to keep the hallways and bathrooms clean and neat. Nothing less will be expected of any student.

Uniform Dress Code Philosophy

Jefferson County Christian School strives to maintain a positive and professional learning environment which reflects God's call to modesty and purity. Consequently, our appearance should encourage concentrated study and in no way distract from the learning environment. Therefore, our dress code is defined by two specific standards: modesty and professionalism.

Modesty – First and foremost, a student's appearance should reflect his/her identity as a follower of Christ. Everything we do is an expression of our relationship with God and His Word. God makes it clear that we are to be modest and treat our bodies with the upmost respect. Students' appearance should also reflect the Christian value of encouraging the focus on the inner self, not the outer.

Professional – We want students to be comfortable, but we expect that a JCCS student's appearance should meet certain standards. Being committed to educational excellence, we desire our students to choose their attire to be appropriate and create an environment conducive to learning. This is also the place to prepare our students for the future when they have various dress codes at their place of employment or other venues.

General Guidelines

- **The administration of Jefferson County Christian School reserves the right to determine that any article of clothing is inappropriate for school wear.**
- Clothing must be clean, modest (no more than one button left unbuttoned), properly fitting (not too tight, not sagging or dragging the ground) and in good condition (no tears, or frays).
- No visible temporary or permanent tattoos or body markings.
- No undergarments may show outside or through clothing.
- "In-style" is not always in accordance to JCCS standards.
- Consider your brothers and sisters in Christ and use wise judgment in making clothing choices.
- If a student or parent has a question of whether a specific garment or style is appropriate, the time to check is before wearing it.

Preschool Dress Code

The dress code for preschool is separate from the other grades. Preschoolers should wear casual clothes that are comfortable and safe for indoor and outdoor play. In Pre-K, shorts and sweat suits may be worn throughout the year. Shoes must be athletic shoes or shoes that the student can safely run in when playing outside. Pictures on shirts or on accessories (book bags, lunch boxes, etc.) should be chosen to be non-offensive. Due to the controversial nature of the Harry Potter books among the Christian community, clothing, accessories, and materials pertaining to the Harry Potter book series will not be permitted, as well as other, materials that are gruesome, crude, anti-Christian, controversial, or unwholesome images, symbols, or characters. Please consider your brothers and sisters in Christ and use wise judgment in this matter.

Out of Uniform Days

These guidelines may not address every style that might show up on Out of Uniform Days. It is our desire at JCCS to teach discernment and responsibility to our students. To do so, we allow students to make choices within a framework such as this, trusting that they will choose wisely. **The administration of Jefferson County Christian School reserves the right to determine that any article of clothing is inappropriate for school wear. This may include clothing items that are too tight, immodest, worn inappropriately or goes against biblical and JCCS principals.** In this case, students may be sent home to change, or parents may be contacted to bring a change of clothing.

Health and Safety

HEALTH AND SAFETY

Immunization Policy

Immunization Records: Students enrolling in JCCS must meet current state immunization requirements by the first day of school and submit records or show a written statement from the physician stating that immunizations were withheld due to medical reasons or an official exemption document if immunizations were withheld for personal/religious reasons. Failure to meet one of the above criteria will result in the student being excluded from school until such requirement/s are met.

Medication

We strongly encourage that, whenever possible, the timing of taking medications be scheduled so that they can be taken at home. Only when no other arrangements can be made will it be acceptable for them to be taken at school.

If it is necessary for your child to be given a medication at school, the following requirements must be met:

1. Written request signed by the physician and parent/guardian for each and all prescription and non-prescription medications. The form must include the dosage to be given, the time the medication is to be given and the route of administration.
2. A separate form must be filled out for each medication.

NO student is to have medication in his possession at school. Medications (both prescribed and non-prescribed) must be kept in the school office. For this reason, no medication should ever be passed from one student to another. If this should happen, the students involved will be subjected to disciplinary action. The only exception to this is that students may keep prescribed inhalers or “epi-pens” on their person to self-administer these medications as needed as long as written documentation is on file as outlined below.

It will be the student's responsibility to come to the office for self-administration of medication that will be taken in the presence of school personnel. Our staff will do their best to remind the younger children to report to the office to receive their medication at the proper time.

NO medications will be given without completion of the above forms.

All medications must be sent to school in the original container that must be properly labeled with the student's name, name of the medication, dosage of medication to be given, and the time medication is to be given.

It will be the student's responsibility to come to the office for self-administration of medication that will be taken in the presence of school personnel. Our staff will do their best to remind the younger children to report to the office to receive their medication at the proper time.

Should there be any change in the administration of the medication, notification is to be sent to the secretary in writing on the proper form signed by a physician.

The school will assume no responsibility for liability in association with administration of medications at school.

First Aid and Illness

The school is equipped with first-aid supplies for use in case of accidents or illness. When students are ill, parents will be contacted to come and pick them up.

Communicable Diseases

The Ohio Department of Health requires that students with the following conditions be excluded from school:

Strep Throat	→ may return to school 24 hours after medication is begun if no fever is present
Chicken Pox	→ excluded from school until all lesions are crusted over
Impetigo	→ may return after 24 hours of treatment is taken and no drainage present
Hepatitis A	→ excluded from school at least 10 days after onset of jaundice
Measles	→ excluded from school at least 5 days after rash appears
Influenza	→ excluded from school until symptoms are gone
Head Lice	→ excluded from school until treated and head inspection by school personnel reveals no live nits
Mumps	→ excluded from school 9 days after swelling occurs
Ringworm	→ excluded until 24 hours of treatment taken
Scabies	→ excluded until student and household contacts have been treated
Conjunctivitis	→ (pink eye) excluded during acute state until discharge has ceased
Common Cold	→ excluded from school until acute symptoms are gone
HIV-Hepatitis B	→ approval of administration required

How parents may assist in the health program

1. Meeting the immunization requirements on time
2. Carefully observing children for signs of disease or sickness and keeping them home when ill (students must be free of fever for 24 hours in order to return to school)
3. Promptly sending in statements concerning a child's sickness
4. Providing a sound health program for your children at home:
 - a. Adequate rest
 - b. Outdoor recreation
 - c. Balanced diet
 - d. Good study habits
 - e. Regular medical examinations
 - f. Encourage the importance of good hand washing to prevent illness

Emergency Medical/Transportation Authorization Form

Each parent must complete an emergency medical authorization form upon the child's enrollment. This form is to be kept at the school office as record of the student's home phone number, parents' employment numbers, family or friend's numbers, physician number, dentist number, and signature indicating permission to contact a licensed physician if own is not available. This must be on file by the first day of school.

Speech, Hearing, Vision and Postural Screenings

Speech and hearing screenings will take place each year in Grades K-9 and for all new students through the months of August and September. If difficulties are suspected, parents will be notified and referred to the proper professional and/or our speech therapist. If speech therapy is recommended, parents will be notified and permission obtained prior to placement. Vision and postural screenings will be done for students, and parents will be notified if there is any problem. Parents must contact the office if they do not wish for their student to be screened.

Fire / Serve Weather / Lockdown Drills Fire drills will be held regularly with instruction as to the proper exiting and safety procedures for each event. Tornado drills will be held in the spring. Lockdown drills will be conducted as required by the State of Ohio.

Policy of SEARCH and Seizure

Based on reasonable cause, Jefferson County Christian School reserves the right to request any student to empty the contents of his/her pocket, purse, book bag, or the like or to provide access into any personal property including a vehicle. In the event that this request is not honored, the student will remain in the office until his/her parents or legal guardian can be contacted. At this point, refusal to honor said request may subject student to suspension or expulsion from the school.

Weapons/Threats of Violence Policy

Weapons: Students who possess or claim to possess, use, or threaten to use, or display a weapon at school, or at a school event shall immediately be suspended from school pending full investigation. Students will be subject to expulsion from JCCS and to legal prosecution. A weapon is defined to be any material or object (by design or by its use) that can be used to harm, injure, threaten, or intimidate another individual or oneself. This includes look-alike items and nonfunctional items. Possession includes, but is not limited to, any student found to have a weapon in his/her locker,

book bag, purse, or car, or on his/her person, or who has brought such an item onto a bus provided for daily student transportation, or onto any transportation provided for school-related events. This rule is in effect 24 hours a day, seven days a week.

Threats of Violence: JCCS has a no tolerance policy involving threats of violence by students whether the threat involves a weapon or is a physical or verbal threat. Parents should understand that the school's first responsibility is the protection of all its students. The school takes this responsibility very seriously. Students making a threat of violence will be immediately suspended pending full investigation. If the school determines that the threat of violence is credible and specific (directed toward particular students or staff), the student(s) making the threat of violence will be subject to expulsion from JCCS, and the threat will be reported to the appropriate legal authorities. The school administration will also report the threat to the one(s) who were threatened. For purposes of this policy, credible means reasonable belief or suspicion, determined at the discretion of the administration, that the threat was or might be genuine, or that the student might be capable of carrying out the threat. In those circumstances in which the school determines that the threat is likely not credible, the school will suspend the student pending a parent meeting. These will include all cases in which the student was "just joking." If circumstances warrant, the school may conduct further investigation. The school may require the student to obtain counseling, at family expense, from a Christian counselor or other professional approved by the school in order for the student to remain enrolled at JCCS. No student will be permitted to continue enrollment in the school if the counselor advises that the student (in the counselor's opinion) presents a threat of danger to anyone including him/herself.

Sexual Harassment Policy

Sexual harassment has no place at Jefferson County Christian School, whether between the supervisor and the supervised, between co-workers, between employees and the students, between students, or between any student or employee and a member of the public visiting the school.

For the purpose of this policy, sexual harassment shall be defined as follows: "Sexual harassment is the solicitation of sexual activity or references to sexual themes in a manner which the offender knows or should know is offensive to the listener or observer."

In the event that any employee or student of the school is suspected of sexual harassment occurring on school property or occurring off school property, but involving the possibility of coercion due to the non-offender's status as an employee or student, the school administration shall promptly investigate the allegation. Any employee of the school who becomes aware of, or suspects activity constituting sexual harassment shall immediately report it.

Complaints or information regarding sexual harassment shall be directed to the Administrator or his/her designee who shall have a duty and the authority to conduct an independent investigation in a manner which preserves confidentiality to the maximum practical extent, recognizing that the thoroughness of the investigation is not to be compromised.

The administration shall then take such preventive, remedial, or disciplinary action as the circumstances warrant, up to and including termination or expulsion, following established procedures.

School Guidelines Concerning Social Media Outlets

School Related Communications: For the protection of all involved, including the staff, parents and students of JCCS, all school related issues, comments, conversations, and questions should be posted only through the official JCCS website/e-mail or through a phone call to the office during school hours.

School Related Postings: In trying to keep information about JCCS and anyone involved with JCCS as authentic as possible, the JCCS staff, parents and students should only post through JCCS's Development Director for school related postings on the web.

Social Media Guidelines for Students: Guidelines: Social Media, such as Facebook, Twitter, YouTube Instagram, LinkedIn, personal texting, and others are powerful tools of communication that have significant impact on your personal reputation as well as the reputation of JCCS. Students and parent/guardian must read the following guidelines to be aware of the student's responsibility in using social media as a member of the JCCS school family.

Please use the following guidelines when posting on Social Media sites.

1. **Be authentic.** Be honest about your identity. Never pretend to be someone else when you post personally or as a student of JCCS. Tracking tools enable supposedly anonymous posts to be traced back to authors. Be honest about yourself and your views without providing personal information that could be used against you.
2. **Be responsible.** Make sure you are aware of the Code of Conduct and Expectations stated in the JCCS Handbook as you share personal views or information about yourself, other students, school personnel, or the school. Inappropriate conduct revealed on social media will be dealt with in the same manner as inappropriate student conduct at school.
3. **Be cautious.** Privacy does not exist in the world of Social Media. Consider what could happen if a post becomes widely known and how that may reflect upon your reputation, the reputation of your family and friends, the reputation of another student, and the reputation of your school.
4. **Be respectful and thoughtful.** As a student of JCCS, be mindful of the school's commitment to a Christian worldview by showing respect and dignity for all people and to the civil, thoughtful discussion of opposing ideas. Remember that the Lord, your God, is omniscient and aware of all your communication.
5. **Be informed.** Become familiar with the terms of service, policies, and the appropriate code of ethics required on the Social Media sites and networks in which you participate.
6. **Be kind.** Cyber bullying is the willful and repeated bullying or harassment of another person or persons through the medium of Social Media, which includes electronic text. Students who engage in cyber bullying, including electronic texting, can be disciplined at school. Always abide by Mark 12:31. "You shall love your neighbor as yourself" when you post on any Social Media site.

Library Policy

The school and library staff will screen the contents of the library to the best of their ability to see that there are no materials that are offensive or in opposition to our Christian worldview. However, if parents run across material that they believe is objectionable or questionable, they should notify the school Librarian/Administrator of their concern.

Visitors/Volunteers

All visitors and volunteers to the school **MUST** report to the office and register first. When parents are volunteering or visiting a classroom, they **MUST REGISTER** in the office prior to going to the classroom or to their assignment. When you sign in, you will receive a sticker/badge to identify you as an authorized visitor/volunteer to our school personnel.

When visiting the school, never leave your car parked in such a manner as to restrict the movement of traffic. -
Use specified parking areas.

Never smoke on school premises or when participating in any school related activity.

When parents visit the school for any reason, they should be properly dressed.

School Telephone Use

All school telephones are for school business only. Students are not permitted to use the telephone without permission from a staff member and only for unforeseen circumstances. Students will not be allowed to call home for forgotten items, assignments, or to communicate things that can or could have been taken care of at home. Teachers and students should not be called during school hours except in the case of an emergency.

Lost and Found

"Lost and Found" items are kept in the school. After two weeks have passed and items have not been picked up, they will become the property of the school and will be given away or discarded.

School Colors

Purple: Purple is a school color because it has long been a symbol of royalty. This is not to be construed as pride or self-exaltation, but instead it is to signify our exalted "Royal" position with Jesus Christ. We all need to be reminded of our position in Christ and that we should reflect that relationship as we represent Him!

----- "Seek those things which are above"-----

Gold: We are constantly striving for success! We are to strive for eternal rewards, not temporal. Gold is a school color because it reminds us that we are to gain eternal victories. We want to achieve that which will last!

----- "When he is tried, he shall come forth as gold"-----

Pledges

The following pledges will be spoken during opening exercises in grades K-12.

- American Flag: I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands: one nation under God, indivisible, with liberty and justice for all.
- Christian Flag: I pledge allegiance to the Christian flag, and to the Savior for Whose Kingdom it stands. One Savior, crucified, risen, and coming again, with life and liberty for all who believe.
- Bible Pledge: I pledge allegiance to the Bible, God's Holy Word. I will make it a lamp unto my feet and a light unto my path. I will hide its Word in my heart that I might not sin against God.

Parent Packet

A monthly newsletter and other information will be sent home. This newsletter will contain up-to-date information pertaining to the school. This is one line of communication between the school and home. Please read through all the information carefully and then sign and return the envelope with forms that need to be returned on the next school day. (E-packets). Receiving a packet by email is now available upon request through the school office.

Parking/Picking Up and Dropping Off Students

Parents **MUST** pick up and drop off students in the large parking lot at the south end of the building. Please follow the designated procedure for cars in the pick-up loop. If you park to await your students, they will be dismissed at the end of the car pool line. Picking up students before 2:30 in the office will not be permitted on a regular basis. When arriving or leaving school, students **MUST** cross at the crosswalk with the crossing guard. Please do not drive/park your car on the playground at any time during regular school hours.

A Change for Child's Transportation

Students must have a note of permission in order to change his/her usual transportation arrangement or to go home on the bus with another student. The note needs to be seen by the student's homeroom teacher and the school office.

Students who do not bring a note will not be allowed to get on the bus with another student. Students who are to go home with another student (other than those in his/her car pool) must have a note of parental permission to be shown to his/her homeroom teacher. If a regular bus student is not to ride the bus home on a certain day, a note must be sent from home to be signed in the office or the parent must be present before the bus leaves the building to take his/her child. Without a note or parent present, a bus student will be sent home on the bus as per regular instructions. Word of mouth by the student is not sufficient to change busing or riding arrangements.

Addressing Concerns (Matthew 18:15-17)

If a parent has a question or concern related to a classroom situation, he/she should first meet with the classroom teacher. If a person has a question or concern related to a non-classroom situation, he/she should first meet with the individual "in charge". If the matter is not resolved, the Administrator is the proper person to contact next. If a parent feels that he/she cannot accept the decision or explanation given by the Administrator, the final recourse is to take the matter before the School Board with the Administrator and involved person present. A written request for such a meeting must be submitted to the School Board. Jesus taught several principles for solving people-to-people problems:

- 1) Keep the matter confidential. Share only with those directly involved.
- 2) Keep the circle small. Most problems can be solved at the two-people level.
- 3) Be straightforward. Speak the truth in love.
- 4) Be forgiving.

Texting/Telephoning Staff

Due to consideration for the staff and their need to devote time to their families, parents and pupils are requested to not call or text the teachers, secretary, or Administrator at their homes except in emergencies (pupils forgetting homework assignments is not an emergency). Please honor this request.

Religious Holidays

The Jefferson County Christian School will not teach children that mythical characters such as Santa or the Easter Bunny are wrong, nor will the school criticize children for speaking of these characters. However, in respect for the families who have convictions against such traditions, JCCS will refrain from introducing such characters in the classroom.

Classroom Parties

Classroom teachers will make arrangements individually to obtain homeroom mothers to help with and organize special activities. Some teachers do not have homeroom mothers but call upon different parents throughout the year.

School wide parties are held in Grades Pre-K through 6 at Christmas time and Valentine's Day. Teachers in Grades Pre-K through 12 may arrange other parties for specific occasions throughout the year. Parents are often asked to assist or donate items for the parties. **Please do not bring PEANUT products to the school.**

Tuition

Tuition **MUST** be paid according to the terms described on your financial contract. Monthly payments are due the 1st of each month. A \$35.00 late fee will be assessed after the 10th of that month.

Parents or sponsors are responsible for tuition as contracted. It is essential that all those who enroll their children in the Christian School be faithful in meeting their payments. There is a thirty-five-dollar (\$35.00) charge for checks returned to us for insufficient funds.

Please call the school office for the current tuition rate.

Tuition Discounts and Scholarships

There are discounts available:

- Pastor Discount
- Multi-child discount
- Ed Choice Scholarship
- Jon Peterson Scholarship
- JCCS Scholarship

Scholarships are available to families who meet certain criteria of financial need. Applications may be obtained from the Administrator who will submit them to the Scholarship Committee upon completion. Please contact the Administrator for more information.

Fund-Raisers

Tuition provides approximately 70-80% of our budget. Fund-raising and contributions provide the remaining 20-30%. There are several major and some minor fund-raisers held throughout the year. All parents are asked to support these fund-raisers as a part of the JCCS school family.

Lunch Program

Students may bring a packed lunch from home or may order a hot-lunch from the JCCS Cafeteria. Orders must be placed online through Headmaster or through the office on the Thursday prior to the week that the lunch is needed. Information concerning schedule and pricing will be sent home. Parents cannot deliver hot lunches or forgotten lunches to the students during the day. We will care for a student without a lunch by providing a microwavable meal which will be charged to the family's lunch account. Students have no access to a refrigerator and only 7th-12th have access to a microwave. Younger students need to have items in their lunches that they can open and handle themselves. No student may leave the school premises for lunch.

Drinks

JCCS has drinks from United Dairy available to the students for purchase. We offer white milk, chocolate milk, and juice at a cost of \$2.50 per week (\$0.50 per drink). Orders must be placed with the office on the Thursday prior to the week that the drink is needed. Milk can be ordered for snack (Grades K-2) and lunch. Please send the order and money in an envelope marked with the student's name to school on Thursday. Bottles of water are sold for \$.50.

Parent Teacher Fellowship

Please plan to join and participate in the Parent Teacher Fellowship (PTF) this year. This group meets to plan and implement those activities that will benefit the students, teachers, and the well-being of the school in general. The more that participate, the more successful and effective this school organization will be. Please plan to lend your support when and where you can.

THE JEFFERSON COUNTY CHRISTIAN SCHOOL BOARD RESERVES THE RIGHT TO CHANGE POLICY AT ITS SOLE DISCRETION AT ANY TIME BASED ON WHAT IS IN THE BEST INTEREST OF THE SCHOOL.

****PLEASE SIGN AND RETURN THE AGREEMENT BELOW****

Please receive and read this updated copy of the J.C.C.S Student/Parent Handbook. The Handbook serves as a type of “agreement” between you the parent/guardian and JCCS so that you know what you can expect from the school and you know what we will expect from you throughout the school year. By being aware of expectations, the home and school can work together cooperatively to the optimal good of the students and to the Glory of God.

I/We have read the contents of the handbook of the Jefferson County Christian School and are in agreement with the policies, philosophies, and procedures of the school and I/we are committed to them. I/We agree to cooperate with requests and policies of the administration on daily practices even though we may not understand the reason. I/We agree to give thoughtful consideration to all notes and correspondence from teachers and administration.

We agree to support the school with our prayers and with a positive attitude. Complaints or negative comments will be shared only with the teacher, administrator, or person involved and not with our child or other people, following the Matthew 18 principle.

We understand that if at any time the school determines, in its sole discretion, that our actions do not support the ministry, or reflect a lack of cooperation and commitment to the home and school working together, the school has the right to request the withdrawal of our child(ren) or pursue disenrollment of my child(ren).

Guidelines: Social Media, such as Facebook, Twitter, YouTube, Instagram, LinkedIn, personal texting and others are powerful tools of communication that have significant impact on your personal reputation as well as the reputation of JCCS. Students and parent/guardian must read the following guidelines to be aware of the student's responsibility in using social media as a member of the JCCS school family.

Please use the following guidelines when posting on Social Media sites.

1. **Be authentic.** Be honest about your identity. Never pretend to be someone else when you post personally or as a student of JCCS. Tracking tools enable supposedly anonymous posts to be traced back to authors. Be honest about yourself and your views without providing personal information that could be used against you.
2. **Be responsible.** Make sure you are aware of the Code of Conduct and Expectations stated in the JCCS Handbook as you share personal views or information about yourself, other students, school personnel, or the school. Inappropriate conduct revealed on social media will be dealt with in the same manner as inappropriate student conduct at school.
3. **Be cautious.** Privacy does not exist in the world of Social Media. Consider what could happen if a post becomes widely known and how that may reflect upon your reputation, the reputation of your family and friends, the reputation of another student and the reputation of your school.
4. **Be respectful and thoughtful.** As a student of JCCS, be mindful of the school's commitment to a Christian worldview by showing respect and dignity for all people and to the civil, thoughtful discussion of opposing ideas. Remember that the Lord, your God, is omniscient and aware of all your communication.
5. **Be informed.** Become familiar with the terms of service, policies and the appropriate code of ethics required on the Social Media sites and networks in which you participate.
6. **Be kind.** Cyber bullying is the willful and repeated bullying or harassment of another person or persons' through the medium of Social Media, which includes electronic text. Students who engage in cyber bullying, including electronic texting can be disciplined at school. Always abide by Mark 12:31: "You shall love your neighbor as yourself" when you post on any Social Media site.

I have read and am aware of the JCCS Social Media Guidelines
